# Ballycastle Town Service 331

Ballycastle is a busy market town located on the North East corner of Northern Ireland. Great for shopping, it also has a long beach, with views across to Rathlin Island (accessible by ferry from the town) and the Mull of Kintyre in Scotland.

Nearby is Fair Head, a sheer cliff rising 196 metres out of the Atlantic Ocean, and Knocklayde, a massive heather covered mountain which gives extensive views over Ballycastle, Rathlin Island and Scotland.

On the outskirts of the town is Bonamargy Friary, a late Franciscan foundation established in 1485.

Ballycastle's Town Service is great for travelling from the town centre to the harbour & beach areas.
