Temporary change to Station Road traffic flow

## ► Moira Train Station

*Translink has recently commenced works on a new, 480-space Park and Ride facility at Moira Train Station, which will enhance the overall parking capacity at this location.*

The project is due to be completed during summer 2026, enabling more people to enjoy the convenience of rail travel, supporting better regional connectivity and reliable alternatives to car-only journeys.

Translink will be working in partnership with experienced contractors FP McCann Ltd, to deliver this major project.

A series of initial works will be undertaken to facilitate this major project. Please note that diversions are in place effective from **Monday 18th August 2025 for a period of approximately 12 weeks**. These will be clearly signposted.

Moira Train Station and Moira Park and Ride are available as usual. **There will be no impact on train services.**

Passengers are advised to plan their journey in advance.
